### Changing Fixture details or arranging a friendly game?

For IAFOA, you need to contact our scheduler – Michael Smith ([mps\\_iafoa@yahoo.ie](mailto:mps_iafoa@yahoo.ie)) – to get approval. If there is a late change to game arrangements, contact Michael (087-2400819) as soon as possible upto game time so that he can pass on details to the relevant game day officials.

### Queries about Team Official game payments?

For IAFOA, you need to contact our new Treasurer – Andy Phillips ([andy\\_phillips001@btinternet.com](mailto:andy_phillips001@btinternet.com)) or (+44 (0) 7711725969). Please delay any queries for a few weeks as we need to transfer details from our outgoing Treasurer.

### **Team Officiating assignments updated by e-mail from Michael Smith**

**All officials assigned to games must arrive at the venue 90 minutes prior to Kick-Off**

**Officials should try to minimise travel expenses for games – ie don't all travel in separate cars.**

### This week's question

**Play:** Fourth and seven at the B 30 yd line. Team A attempts a field goal. Linebacker B56 jumps and blocks the kick at the B 29 yd line, and the ball lands at the B 32 yd line. Holder A21 recovers and carries the ball to the B 20 yd line where he is tackled.

**Ruling:** ?????

### Last week's question

**Play:** During the second period, A36 goes to the locker room which is at one end of the field. When he returns, he stands beyond the end line and watches the game for a few plays. He then enters the game through the end zone.

**Ruling:** Illegal Substitution.

*Rule 3-5-2-c An incoming legal substitute must enter the field of play directly from his team area, and a substitute, player or departing player must depart at the sideline nearest his team area and proceed to his team area.*
